

僕らはきつと待ってる  
君とまた会える日々を  
さくら並木の道の上で  
手を振り叫ぶよ  
どんなに苦しい時も  
君は笑っているから  
挫けそうになりかけても  
頑張れる気がしたよ

We're all waiting for the day  
When we can see you again  
Standing on the road lined with cherry trees  
We'll wave and call to you  
Whatever hardships we've met  
We know you're always laughing  
So that even when we've been crushed  
We can pick ourselves up

From the misty distance  
I can hear that old song...

Sakura, sakura, come out now in full bloom  
Knowing the fleetingness of your lives  
Farewell, my friend, for it's time to go  
These unchanging feelings, now...

I'll be able to say it now, won't I?  
These words that hold no falsehood  
Wishing for a shining future for you  
These words of truth

This shifting cityscape seems like  
It's trying to hurry us along

Sakura, sakura, just dancing down  
Believing in the day they'll be reborn  
Don't cry, my friend, it's time for us to part  
So, now, show me your pure sweet smile...

Sakura, sakura, dance upwards now  
And bathe in this ever-sparking light  
Farewell, my friend,  
let's meet here again  
On the road where the cherry blossoms fall
